Grades

Grades will be based on:

- Homework - 30%
- Midterm - 30%
- Final Exam - 40%.

Homework: Homework will be assigned each Wednesday, and will be due by the beginning of class the following Wednesday. Homework may be turned in by the beginning of class on Friday for half credit. Homework must be stapled and clearly labelled with your name and ID.

Midterm: There will be one midterm, given on Friday the 6th of February. Exams missed with a *documented and valid* excuse (sickness or similar emergencies) may be made up the following Monday afternoon. The instructor must be contacted *before the beginning of the exam* in order to arrange for the make-up exam.

Collaboration

Students are encouraged to collaborate on homework assignments. Collaboration means working together to frame problems, devise approaches, and compare results.. The final work, however, must be the work of the individual student, indicating that you alone prepared the work and understand the material.
