The Three Bears

Once upon a time was three bears: mama bear, papa bear, and baby bear. Live in the country near forest. NICE HOUSE. (No mortgage.) One day papa, mama, and baby go to the beach, only they forget to lock the door.

By and by comes Goldilocks. She got nothing to do but make trouble. She push all the food down the mouth; no leave crumb. Then she goes upstairs and sleeps in all the beds.

LAZY SLOB!

By and by come home the three bears, all sunbrowned, and sand in shoes. They got no food; they got no beds. What are they going do to Goldilocks? Throw her in the street? Call a policeman?

FAT CHANCE!

They was Italian bears, and they sleep on the floor.

Goldilocks stay there three weeks; eating out of house and home; and just because they asked her to make the beds, she says "Go to H--l," and run home crying to her mama, telling her what sons of b-----s the three bears are.
