ESSAYS IN WORDS AND IMAGES

This is an exhibition of the works made by the MFA students in Kaja Silverman’s Art Now lecture course, which she teaches at Penn every spring, and the undergraduate and MFA students in Essays in Images and Words, the Speigel-Wilks Seminar that she and Sam Mapp taught at the ICA this past semester. They show us that art can be a complex form of thought.

SERAPHIN GALLERY
1108 PINE STREET

MAY 5 - MAY 10, 2017
OPENING RECEPTION MAY 5, 6-9
