

## **Edward L. Doheny**

### **Title & Affiliation**

Lecturer and Senior Graduate Advisor  
Professional Program in Applied Geoscience  
Department of Earth and Environmental Science  
School of Arts and Science  
University of Pennsylvania  
Philadelphia, PA 19104-6316

### **Professional License**

- Professional Geologist (PG) License – State of Pennsylvania (PG-001992-G)

### **Academic and Professional Experience**

- Lecturer and Senior Graduate Advisor – Professional Program in Applied Geoscience; University of Pennsylvania (2007-Present)
- Senior Research Associate and Founder/Advisor – Applied Geoscience: Earth and Environmental Science Department; School of Arts and Science; University of Pennsylvania (2000-2007)
- Fellow; Institute for Environmental Studies; University of Pennsylvania (1993-1994)
- Professor of Geology (Visiting); Department of Geology; University of Pennsylvania (1993-1995)
- Director, Engineering Geology Program, Drexel University (1976 to 2006)
- Professor of Civil Engineering, Drexel University (1987 to 2006)
- Associate Director, Environmental Studies Institute; Drexel University (1989-1991)
- Professor of Civil Engineering (Visiting); Villanova University (1983)
- Manager; Geotechnical Engineering; United Engineers and Constructors (UE&C) Philadelphia, PA (1977-1978)
- Associate Professor of Civil Engineering and Mechanics; Drexel University (1973-1987)
- Assistant Professor of Civil Engineering and Mechanics; Drexel University (1967-1973)
- Participating Research and Teaching Faculty, Environmental Studies Institute, Drexel University (1967 to 1996)
- Participating Research Faculty, Energy Sources and Systems Institute, Drexel University (1974-1989)
- Consulting Engineering Geologist (1970 to present)
- Graduate Research Assistant, Department of Geology, Indiana University – Bloomington (1966-1967)
- Graduate Teaching Assistant, Department of Geology, Indiana University – Bloomington (1962-1965)
- Departmental Laboratory Aide, Department of Geology, City College of New York (1961-1962)

### **Awards and Nominations**

- Recipient of Civil Engineering Department Award for Distinguished Teaching (1970)
- Recipient of Christian R. and Mary F. Lindback Foundation Award for Distinguished Teaching (presented at Drexel University Commencement; Convention Hall, Philadelphia, PA (June 1972)
- Recipient of Civil Engineering Department Award for Distinguished Teaching (1973)
- Recipient of College of Engineering Undergraduate Teaching Award (presented at Drexel University Honors Day Ceremony; May 1973)
- Recipient of Civil Engineering Department Award for Distinguished Teaching (presented at Drexel University, May 1975)
- Nominee, College of Engineering Undergraduate Teaching Award; Drexel University (May 1975)
- Recipient of Certificate of Appreciation from the Philadelphia Section of the American Society of Civil Engineers (ASCE) Geotechnical Division “for valued contributions to the ASCE technical program in Earthquake Engineering”, (1976)

- Recipient of Certificate of Appreciation from the Philadelphia Section of the American Society of Civil Engineers (ASCE) Geotechnical Division “for valued contributions to the ASCE technical program in Nuclear Power Plant Siting” (1978)
- Recipient of the Wilbur N. McMullin Award for Distinguished Teaching presented at Annual Awards Dinner by Lambda Chi Alpha Fraternity; Drexel University (May 1978)
- Recipient of Civil Engineering Department Award for Distinguished Teaching (presented at Drexel University, May 1980)
- Nominee, College of Engineering Undergraduate Teaching Award; Drexel University (May 1980)
- Recipient of Civil Engineering Department Award for Distinguished Teaching presented at Civil Engineering Department Commencement Ceremony (May 1981)
- Elected “Engineering Professor of the Year” by ballot of the College of Engineering student body (May 1981) presented at College of Engineering Awards Luncheon (September 1981)
- Recipient of College of Engineering Undergraduate Teaching Award presented at Drexel University Honors Day Ceremony (May 1981)
- Recipient of “Legion of Honor Membership” Award presented by The Chapel of the Four Chaplains at the Temple University Campus; Philadelphia, Pennsylvania for “service to all people regardless of race or faith” (1981)
- Elected Honor Member, Drexel University Chapter, National Civil Engineering Honor Society (Chi Epsilon) presented at the Annual Chi Epsilon Awards Dinner (1985)
- Recipient of Civil Engineering Department Award for Distinguished Teaching presented at Drexel University Honors Day Ceremony (May 1987)
- Nominee, College of Engineering Undergraduate Teaching Award; Drexel University (May 1987)
- Recipient of Certificate of Appreciation from the American Society of Civil Engineers (ASCE) Philadelphia Section “for valued contributions to the ASCE Technical Program in Asbestos Hazard Abatement” (1987)
- Recipient of Civil Engineering Department Award for Distinguished Teaching presented at Drexel University Honors Day Ceremony (May 1988)
- Nominee, College of Engineering Undergraduate Teaching Award; Drexel University (May 1988)
- Nominee, Christian R. and Mary F. Lindback Foundation Award for Distinguished Teaching; Drexel University (May 1990)
- Recipient of Plaque of Appreciation from the Geography National Honor Society (Gamma Theta Upsilon) for Keynote Address; presented at Annual Honors and Awards Dinner; University of North Dakota (April 1992)
- Nominee, 1993 CASE Professor of the Year; nominated by Drexel University College of Engineering to the Council for Advancement and Support of Education (CASE) and the Carnegie Foundation for the Advancement of Teaching (May 1993)
- Recipient of “Outstanding Professor Award” from the Pennsylvania Section of the American Institute of Professional Geologists (AIPG): presented at AIPG Awards Dinner (December 1999)
- Recipient of “Faculty Achievement Award” from the Department of Civil and Architectural Engineering: presented at the College of Engineering Honors Day Ceremony (February 2000)
- Recipient of the 2006 Ferdinand Vandiveer Hayden Award for Distinguished Teaching and Career Mentoring of Students: University of Pennsylvania (October 2006)
- Geology Society of America (GSA) Engineering Geology Division (2006) Career Recognition Session for Edward L. Doheny; Annual GSA meeting in Philadelphia, PA (October 2006)
