INVITATION

GEOBIOLOGY SYMPOSIUM XVII

PALEONTOLOGY — PALEOBIOLOGY — GEOBIOLOGY

Friday, February 27, 2009 10:30 AM -to- 5:30 PM

Cooper Room
Department of Paleobiology
National Museum of Natural History
Washington, DC

Dear Colleague,

You are cordially invited to the 17th Paleontology-Paleobiology-Geobiology Symposium, a one-day event on Friday, February 27, 2009. The Department of Paleobiology, National Museum of Natural History, Smithsonian Institution and the Department of Earth and Environmental Science, University of Pennsylvania are co-sponsoring this event.

We will provide refreshments and a lunch buffet (free of charge). The meeting will be held in the Cooper Room, Department of Paleobiology, National Museum of Natural History, Smithsonian Institution, Washington, DC, and will start at 10:30 AM. Please enter the Constitution Avenue entrance by 10 AM and proceed to the Guard's Office in the left-hand corner of the lobby (you will need to pass through the public security check point to enter the building). We will arrange escort to the Cooper Room.

As in previous meetings, this event will be a forum for new ideas and time for discussion.

You may present your research as a Poster or as a PowerPoint talk.

-Posters will be displayed outside the meeting room.

-PowerPoint presentations will be given in the Cooper Room and should not exceed 20 minutes in length.

A PC and projector will be provided. You may connect your own computer to the projector if you wish.

Please mark your calendar and let us know by February 14, 2009, if you will come and the title of your talk or Poster, if you want to present either one.

Please e-mail us at dimichel@si.edu or macintyr@si.edu

Sincerely, Bill DiMichele, Ian Macintyre, Herman Pfefferkorn
