Environmental Issues in Minority Neighborhoods

Abstract:

This seminar will provide historical background into the origins and development of the Environmental Justice Movement in the United States. Information regarding environmental risk studies, and case studies of environmental justice significance will be explored. Court cases related to environmental justice issues will be discussed.

Additionally, a review of EPA's Criminal Investigation Division (CID) and environmental justice investigations in minority neighborhoods will be examined through case studies and video tapes.

Date: Thursday, March 7, 2002

Time: 12:15 pm - 1:45 pm

Place: Auditorium at Wistar Institute

On Penn's campus: Spruce Street & Penn's 36th Street Walkway

NO REGISTRATION REQUIRED

Direct questions to: 215-573-3164
