Join the FCP as a Volunteer for Spring 2018!

What: A student-founded, student-run bilingual afterschool program, FCP brings together French language learners at Penn and children from the Francophone diaspora attending West Philadelphia public schools in hour-long language practice and cultural exchange sessions taking place at Henry C. Lea School. For 7 semesters now, the program has provided 1st and 2nd-generation immigrant youth from French-speaking West Africa and college students learning French with a uniquely empowering learning space, enabling students to nurture each other’s language skills, confidence, and cultural awareness.

This semester we will be exploring West African dance, storytelling and more!

When: Tuesday afternoons from 3:30-5:30, January 23 - April 24

Info Session: January 17, 5-6 PM, Williams 302
