Please respond to each of the following four Application Essay questions. Number your essays clearly and begin each essay on a separate page. Responses should not exceed four pages in length for all the questions combined. Please submit all four questions in one single file via the [Online Application System](#).

1. Have you ever been placed on probation, dismissed or suspended from any college or university for reasons pertaining to academic integrity?

If yes, please include any facts that you believe bear on the significance of this circumstance.

2. Describe your educational history and background, making sure to address whether your records and transcripts accurately reflect your academic ability. Explain fully if you have ever withdrawn, taken a leave of absence, or been dropped by any school, college, or university.
3. Write a brief essay describing your academic and personal goals and explain how these will be furthered by study at Penn in general and at LPS in particular. Feel free to discuss a specific academic topic you have enjoyed studying and explain why it is of interest to you.
4. Describe any non-academic experiences that you feel strengthen your application such as employment, travel, community affairs, volunteer work, publications, etc.
