Jamal Elias (Univ. of Pennsylvania)
Benjamin J. Fleming (Univ. of Pennsylvania)
Hank Glassman (Haverford College)
Shaman Hatley (Concordia University)
Amy Holmes-Tagchungdarpa (Univ. of Alabama)
Jinah Kim (Vanderbilt University)
Richard Mann (Carleton University)
Justin McDaniel (Univ. of Pennsylvania)
Dirk Meyer (Oxford University)
Jason Neelis (Univ. of Florida)
Annette Yoshiko Reed (Univ. of Pennsylvania)
James Robson (Harvard University)
Tamara Sears (Yale University)
Travis Zadeh (Haverford College)

This conference explores the methodological challenges involved in integrating material evidence for the reconstruction of religious histories in South, Southeast, Central, and East Asia. How might iconographical, archaeological, and documentary sources push us to reevaluate historical narratives traditionally told from literary sources? What untold stories might new and neglected data disclose? And how might a focus on material culture help us to recover a richer sense of text as artifact?

All sessions are free and open to the public.
