Authors have two (2) permission options upon submission of the Undergraduate Senior Thesis. Please mark which permission option you choose:

☐ (1) “Permission to Publish on ScholarlyCommons and Privately Store”
Authors give the University Of Pennsylvania Department Of Anthropology the non-exclusive, irrevocable right to copy, distribute, display, and publish their work on ScholarlyCommons, and to migrate it in the future as needed to keep the content available in accessible, online format. Authors also give the University of Pennsylvania Department of Anthropology permission to store the Senior Thesis both electronically and in hard-copy.

☐ (2) “Permission to Privately Store Only”
Authors give the University of Pennsylvania Department of Anthropology permission to store the Senior Thesis both electronically and in hard-copy. The University of Pennsylvania Department of Anthropology will not distribute or digitally publish the Authors' work in any way.

Regardless of permission option chosen, Authors retain all copyrights, allowing them to publish, present, and/or use any or all of the material in their contributions for their own purposes-prior or subsequent to the appearance of their work on the University of Pennsylvania ScholarlyCommons site. Authors should be aware that some journals may require exclusive rights to publish research, and are advised to investigate the conditions imposed by any other journals in which they may wish to publish. Submissions must be authentic and original, and proper attribution in quoting or referencing others' material must be given. Additionally, reuse of work from another source may require permission of the copyright holder.
