Canvas Student Guide

The Canvas Student Guide covers:

• Navigating to the Turning Technologies Registration Link
• Registering a Response Device

Navigating to the Turning Technologies Registration Link

All Turning Technologies functions are performed within the course.

How to navigate to the Turning Technologies Registration Link...

1  Log into Canvas.

2  Select the appropriate course under the Courses drop-down menu.
3 Click the **Modules link** from the left menu.

4 Click the **Canvas Registration System link** under the *Course Modules* section.

---

**Registering a Response Device**

A ResponseCard (clicker) must be registered to receive credit in class.
How to register a Device ID...

1. Enter your ResponseCard (clicker) **Device ID** in the provided field.

2. Enter the **Captcha** in the provided field.

3. Click **Register Device**.

   The following window is displayed.

   ![](Verification_Window.png)

4. Verify the information that you entered is correct. Click **Final Submission** to register the Device ID. Click **Cancel** to start over.

Contacting Customer Support
