

The French Italian Graduate Society is a student-run organization that represents graduate students in French and Italian. FIGS plans monthly meetings on topics of shared professional and academic interest, and organizes the annual FIGS Conference. Recent conference titles include "Dis/Identifications and Orientations" (2010), "Written in Blood" (2011), "Altered States" (2012), "Silence" (2013), and "No man's Land" (2014).
