

Curriculum Vitae
ROBERT A. ARONOWITZ M.D.

Department of History and Sociology of Science
324 Cohen Hall
249 S. 36th Street
Philadelphia, PA 19104
215-898-5621 Fax: 215-573-2231
Email: aronowit@wharton.upenn.edu

Education

M.D., 1985, Yale University School of Medicine
Graduate Study in Linguistics, 1977-80, University of California, Berkeley
M.A., 1976, English as a Second Language, Teachers College, Columbia University
B.A., 1974, University of Michigan (English Literature)

Postgraduate Training and Fellowship Appointments

Robert Wood Johnson Foundation Clinical Scholar, University of Pennsylvania (1988-90)
Fellow in General Internal Medicine, University of Pennsylvania (1988-90)
Intern and resident in Internal Medicine, Pennsylvania Hospital (1985-88)

Faculty Appointments

Chair, History and Sociology of Science Department (effective July 1, 2012)
Professor (effective July 1, 2009), History and Sociology of Science, University of Pennsylvania
Associate Professor, with tenure, History and Sociology of Science, University of Pennsylvania (2003-2009)
Associate Professor, without tenure, History and Sociology of Science, University of Pennsylvania (1999-2003)
Professor (secondary appointment, effective July 1, 2009), Family Medicine and Community Practice, University of Pennsylvania; Associate Professor (1999-2009)
Associate Professor of Medicine, UMDNJ/Robert Wood Johnson Medical School (1997-1999)
Assistant Professor of Medicine, UMDNJ/Robert Wood Johnson Medical School (1990-1997)
Adjunct Lecturer, University of California, Berkeley (1977-1980)

Current Major Projects:

History of how the efficacy of modern medical interventions has been determined.

Fellowships and Prizes

Fellow of the Shelby Culman Davis Center, Princeton University
John Simon Guggenheim Memorial Foundation Fellowship
36th Molly and Sidney N. Zubrow Award, Pennsylvania Hospital
Elected to membership, Institute of Medicine of the National Academies (2014)
Jacob Ehrenzeller Award (given to distinguished alumnus of Pennsylvania Hospital)
Weiler Fellowship (2011-12)
Russell Sage Foundation Visiting Scholar (2011-12)
Radcliffe Institute for Advanced Study (2011-12; declined)
Center for Advanced Study in the Behavioral Sciences (2011-12; declined)
Visiting Scholar at Zentrum für Literaturforschung Berlin (2010)
Silverman Professor (Endowed Visiting Professorship in the History of Science) at Tel Aviv University (deferred)
Fellow of the Wissenschaftskolleg zu Berlin, (2005-2006)
Scholar at Columbia Institute for Scholars at Reid Hall, Paris (2005-6; declined)
Robert Wood Johnson Foundation Generalist Physician Faculty Scholar (1994-1998)
Charles E. Culpeper Scholar in Medical Humanities (1991-1994)
Therman Fellowship, Pennsylvania Hospital (1987)
Yale Summer Research Fellowship (1984)
Foreign Languages and Area Studies Fellowship, U.C.-Berkeley (1977-1980)
Linguistics Society of America Fellowship (1979)
Literature, Science and the Arts Scholarship, University of Michigan (1971-1974)
University of Michigan Honors Program (1970-1974)

Recent Grants

Leonard Davis Institute Pilot Grant: “Transforming prostate cancer: from despair and inaction to hope, belief in efficacy, and a mass disease” (2015): \$10,000.
Robert Wood Johnson Foundation Health and Society Scholars Program Research and Training Grant (2013). \$2,345.
School of Arts and Science Research Opportunity grant (2013). \$5,000.
School of Arts and Science Conference grant (2013). \$5, 000.
Robert Wood Johnson Foundation Health and Society Scholars Program Research and Training Grant (2011-12). \$41,000.
University Research Council Grant, Social Health Conference (2010). \$3000.
Mellon Foundation Conference Grant (2009). \$5000.
“History of Health Risks in American Society,” National Library of Medicine (NIH). \$150,000 in direct costs (2008-2011)
Distinguished International Scholar, \$20,000 intramural award from Provost’s office to bring Giuseppe Testa, M.D., Ph.D., to Penn (2008-9)
Robert Wood Johnson Foundation Health and Society Scholars Program (with David Asch), current cycle \$5,494,678 in total costs, (2007-2011).
Health and Society Scholars Program Research and Education Pilot Grant, \$5,000, (2003)
Robert Wood Johnson Foundation Health and Society Scholars Program (with David

Asch), \$4,633,315 in total costs, (2002-7)
Robert Wood Johnson Foundation Investigator Award in Health Policy Research, \$249,974 in total costs, (2001-2007)
Faculty Development in Primary Care, Dept. Health and Human Services, \$2,007,674 in direct costs, (2001-2005)
RO1 HG01837, National Institutes of Health, History of Breast Cancer Risk, 1900-present; \$358,717 (direct costs), (1998-2003)

BOARDS, SERVICE, etc.

International

Short Term Fellow, Wissenschaftskolleg zu Berlin, May/June 2011
Visiting Scholar, The Center for Literary and Cultural Research in Berlin (ZfL), June 2010
Visiting Member, Working Group on Evolutionary Medicine, Wissenschaftskolleg zu Berlin (summer 2008)
Advisory Board Member (founding), Institut d'Etudes Avancées de Nantes (2007-)
Conference Convener, "Rethinking Chronic Disease," Wellcome Trust Centre for the History of Medicine, London (2005).

National

External Reviewer, Department of the History of Medicine, Johns Hopkins University
Member, Ulliyot Public Affairs Lecture committee at the Chemical Heritage Foundation
Conference Convener, "Social Health in the New Millennium." (2010)
Faculty Sponsor, 2009 Humanities and Social Science Conference for MD/PhDs.
Member, Abstract Selection Committee, American Association for the History of Medicine, (2008-2009).
Conference Convener, "Cancer Vaccines," Rutgers University, (2008).
Member, RWJF History and Social Policy Cluster Group, (2003-2005).
Councilor, American Association for the History of Medicine, (2001-2004).
Shryock Award committee, American Association for the History of Medicine, (2003).
Expert Advisor, Panel on Medical Consequences of War and Terrorism, DOD, VA, HHS, (1998-2001).
Curator, "Breath of Life," National Institutes of Health Exhibition (1998-2001)
Member, Expert Advisory Panel on Lyme Disease. American College of Physicians, (1998-2001).
Member, Advisory Committee of New Jersey Health Services Development Program, Robert Wood Johnson Foundation (1993-2001)
Member: Abstract Selection Committee for Society of General Internal Medicine (1996)

University

SAS planning committee on "Science, Society, and Health" (2013-14)

Advisory Board, Robert Wood Johnson Foundation Clinical Scholars Program (2012-)
Member, SAS Planning and Priorities Committee (2010-)
Member, Review Committee for Positive Psychology Center (2010)
Member, Advisory Board Bates Center for History of Nursing (2010-)
Co-Director, RWJF Health and Society Scholars Program (2003-2014)
Executive Board Member, Leonard Davis Institute
(2003-)
Member, Cancer Center, University of Pennsylvania (2000-)
Member, Selection Committee, Pilot Research Funds, Leonard Davis Institute (2007)
Greenwall Prize Selection Committee (2007)
Physician Faculty Scholar Selection Committee (2004-2005)
Dept of Family Medicine and Community Practice Committee on Appointments and
Promotions (2003-present)
Director, Fellowship Program, Family Medicine and Community Practice (2000-2005)
Generalist Physician Scholar Selection Committee (2000-2004)
Associate, Center for Bioethics, (1999-2004)
Faculty Sponsor, History of Medicine seminar, School of Medicine (2003)
Faculty Mentor, Global Health Course/Program at School of Medicine (2003)
Committee on Undergraduate Education, School of Arts and Sciences (2001-2003)
SAS representative to MPH Planning and Curriculum Committee (2000-2003)
Referee, School of Medicine's History of Medicine Prize (2001-2002)
Preceptor, Doctoring Course, School of Medicine (2000-2002)
Advisory Board, Women's Studies (1999-2001)
Provost's Committee on Academically-Based Community Service (2000)
Associate Director: Robert Wood Johnson Foundation Clinical Scholars Program (1993-96)

Departmental

Chair, (2012-)
Member, Search Committee for Historian of Science (2013-14)
Member, Search Committee for Historians of Technology (2012-13)
Chair, Search Committee for Historian of S. Asian Science (2010)
Graduate Chair, History and Sociology of Science (2008-2011)
History and Sociology of Science Workshop Organizer (2007)
Director, Health and Societies program (2000-2005)

Editorial Positions:

Editorial board: Bulletin of the History of Medicine (2010-2014)
Editorial board: Philosophy, Ethics, and Humanities in Medicine (2006-)
Associate Editor, Journal of General Internal Medicine (1994-1999)
Book Review Editor, Journal of General Internal Medicine (1992-1999)

Reviewer (since 2003):

National Science Foundation
Singapore National Institutes of Health
Johns Hopkins University Press
Journal of General Internal Medicine
Harvard University Press
Health and History
MacArthur Fellows Program
Annals of Internal Medicine
Bulletin of the History of Medicine
Cambridge University Press
Human Genetics
Journal of Health Communication
Journal of the History of Medicine and Allied Sciences
American Journal of Public Health
Medical Anthropology
Social Studies of Science
Science, Technology, and Human Values

Certification

Medical Licensure: Pennsylvania (inactive status as of 2007)
Board Certification: American Board of Internal Medicine (1988)

Dissertation Students Supervised

Maxwell Rogoski (current)
Roseanna Dent (current, committee member)
Eram Alam (defended 2016). Post-Doc at Penn Program on Race, Science, and Society
Luke Messac (defended 2016) Completing M.D.
Tamar Novick (defended 2014). Post-Doc at Max Planck Institute-Berlin
Deanna Day (defended 2014). Post-Doc at Chemical Heritage Foundation.
Divya Roy (defended 2014, committee member) Consultant
Rachel Elder (defended 2015, committee member) Post-Doc at UCLA
Marissa Mika (defended 2015, committee member) Post-Doc at University College-London
Erica Dwyer (defended 2014, committee member) Internal Medicine Resident
Julie Szymczak, (Sociology, defended 2013, committee member). Post-Doc at CHOP.
Britt Dahlberg (Anthropology, current) Staff member, Chemical Heritage Foundation
Jason Schwartz (defended 2012, committee member). Assistant Professor, Yale.
Elise Carpenter (defended, 2008, committee member). Staff Physician, Lawrence General Hospital.
Sejal Patel, PhD (defended, 2007). NIH Office of History.
Joanne Kempner, (defended 2004, committee member). Assistant Professor of Sociology, Rutgers University.
Carla Keirns, (defended 2004, committee member). Currently Assistant Professor of Medicine and History, SUNY-Stony Brook.

Post-Doctoral Students Mentored:

RWJF Clinical Scholars Program (2016-18): Mical Raz

Family Medicine Post-Doctoral Fellowship (2003-2005): Joseph Straton, Peter Cronholm, Giang Nguyen, Wendy Barr, Marcia Wittink, Trisha Acri, Jun Mao

RWJF Health and Society Scholars (2003-present): Dominic Frosch, Sonya Grier, Jose Pagan, Patrick Kruger, Chyvette Williams, Carolyn Cannuscio, David Grande, Elizabeth Wildsmith, Annice Kim, Dawn Alley, James Macinko, Vida Maralani, Sabrina McCormick, Kevin Hanninger, Mehret Mandefro, Sarah Gollust, Eran Magen, Samir Soneji, Jooyoung Kim, Allison Bittenheim, Michael Bader, Andrew Deener, Laura Tach, Amy Gonzales, Van Trinh, Danya Keene, Brendan Saloner, Gina Greene

Undergraduate Honor Theses (since 2003):

Zayna Bakizada. Role of beliefs about malpractice crisis in physician behavior (2015)

Christine Eklund, “Direct to consumer marketing of HIV tests” (2012)

Anup Das, Indian Physicians Attitudes towards Obesity Interventions (2009)

Elena Grill, “History of Directly Observed Therapy for Tuberculosis in India” (2009)

Matthew Levin, “Non-Financial Barriers to Care in Philadelphia” (2007).

Alexandra Thomas, “Female patients attitudes towards medical care,” (2005).
