THE POEMS OF

Emily Dickinson

READING EDITION

EDITED BY

R. W. FRANKLIN

The Belknap Press of Harvard University Press
Cambridge, Massachusetts, and London, England

	Bright Knots of Apparitions Salute us, with their wings -	15	340	I felt a Funeral, in my Brain, And Mourners to and fro	
339	As we - it were - that perished - Themself - had just remained till we rejoin them - And 'twas they, and not ourself That mourned -	20		Kept treading - treading - till it seemed That Sense was breaking through -	
				And when they all were seated, A Service, like a Drum - Kept beating - beating - till I thought My mind was going numb -	5
	Tie the strings to my Life, My Lord, Then, I am ready to go! Just a look at the Horses - Rapid! That will do! Put me in on the firmest side -			And then I heard them lift a Box And creak across my Soul With those same Boots of Lead, again, Then Space - began to toll,	ro
	So I shall never fall - For we must ride to the Judgment - And it's partly, down Hill -			As all the Heavens were a Bell, And Being, but an Ear, And I, and Silence, some strange Race	15
	But never I mind the steepest - And never I mind the Sea - Held fast in Everlasting Race - By my own Choice, and Thee -	10		And then a Plank in Reason, broke, And I dropped down, and down - And hit a World, at every plunge, And Finished knowing - then -	-,
	Good bye to the Life I used to live - And the World I used to know - And kiss the Hills, for me, just once -	15			20
	Then - I am ready to go! I like a look of Agony, Because I know it's true - Men do not sham Convulsion, Nor simulate, a Throe - The eyes glaze once - and that is Death - Impossible to feign The Beads opon the Forehead By homely Anguish strung.	1,	341	'Tis so appalling - it exhilirates - So over Horror, it half captivates - The Soul stares after it, secure - To know the worst, leaves no dread more -	
				To scan a Ghost, is faint - But grappling, conquers it - How easy, Torment, now -	5
		5		Suspense kept sawing so -	
				The Truth, is Bald - and Cold - But that will hold - If any are not sure - We show them - prayer - But we, who know, Stop hoping, now -	10
				Stop hoping, now -
