

1 Reading

In *A T_EXas Style Introduction to Proofs*, read Section 6.5.

2 Response

Answers to these should be written down and turned in in class.

1. Exploration 6.53—we'll discuss what you find and the status of the continuum hypothesis in class.

3 Exercises

You should bring solutions to these to class and be prepared to present them.

1. Question 6.43
